Competency Result Overall Grading ►	NOT COMPETENT	COMPETENT				
	☐ (1) Unsatisfactory	☐ (2) Improvement Required	☐ (3) Company Standard	☐ (4) Effective	☐ (5) Precise	

I have debriefed and have read this report.	I hereby certify that the trainee has completed the training.	(Applicable only for check flight) I hereby certify that I have conducted the check, and the trainee has satisfied the result. ☐ PASS ☐ FAIL	Reviewed and verified.
----- Trainee's Signature Name: Date:	----- Purser's Signature Name: Date:	----- Evaluator's Signature Name: Date:	----- Training staff's Signature Name: Date:

GRADING DESCRIPTIONS		
1	Unsatisfactory	The trainee competency does not achieve a minimum acceptable level of performance for the conduct of line operations, which resulted in an unacceptable reduction in safety margin.
2	Improvement Required	The overall trainee competency achieves a minimum acceptable level for the conduct of line operations, which resulted in a reduction of safe operation.
3	Company Standard	The overall trainee competency is adequately by regularly demonstrating many of the performance indicators when required, which resulted in a safe operation.
4	Effective	The overall trainee competency is above the average by regularly demonstrating most of the performance indicators when required, which the outcome is enhanced safety and effectiveness.
5	Precise	The overall trainee competency is an exempli manner, by always demonstrating all the performance indicators when required, which the outcome is significantly enhanced safety, effectiveness, and efficiency.
N/O	Not Observed	The competency was not observable
Note	**Any Grade of 1, 2, 4 or 5 requires an explanatory comment by the Purser/Evaluator. Grade 1 In any items determine and outcome of NOT COMPETENT for the conduct of line operations Grade 2 to 5 determine an outcome of COMPETENT for the conduct of line operations.	

★ (8) Passport, Training record, TVJ ID card, flashlight with spare batteries, working wristwatch, E-CCM on accessible device)
 ★★ (11) Q & A follow pre-flight briefing checklist instructors
 ★★★ (25) Turn on music, Alert cabin crew to standby for boarding through PA "CABIN CREW STANDBY FOR BOARDING"
 ★★★★★ (36) PA ground personnel & check LAV A
